

**RIVERCHASE DERMATOLOGY**  
AND COSMETIC SURGERY

Riverchase Dermatology offers comprehensive services and plans of treatment that may include care from multiple providers (Physicians, Physician Assistants or Nurse Practitioners). Some insurance policies may dictate that an additional copay be collected or higher out of pocket costs than anticipated.

Ultimately it is the policy holder's responsibility to know and understand the terms, guidelines, and limitations of the individual plan they have selected with their chosen Health Insurance Carrier.

Should any questions arise regarding the specific terms of the selected policy you purchased, or any additional fees determined to be "member responsibility," please contact the Member Service line, set in place by your Health Insurance Carrier.

### **Riverchase Dermatology Pathology Notice**

Please note: Additional pathology charges may be incurred in the event specialized testing is required to make a definitive diagnosis. Often this decision is determined by the dermatopathologist at the time of processing the lab specimen. These additional tests or staining procedures are done to ensure the most complete and accurate diagnosis is achieved.

A final bill from our office will not be determined until all pathology results and reports are completed.
